Event Management

Create professional calendars with simple form-created events, track registration, manage room bookings and more!

The screenshot shows the WordPress dashboard for 'Sales Demo CEP'. The top navigation bar includes a home icon, 'Sales Demo CEP', a refresh icon, '17', a comment icon with '0', a '+ New' button, and links for 'View Events', 'Events', and 'Copy to a new draft'. The user is identified as 'Howdy, Melissa Kulmer'.

The left sidebar menu is expanded to 'Events', showing sub-items: 'Events', 'Add New', 'Tags', 'Events Categories', 'Locations', 'Organizers', 'Settings', 'Ticket Fieldsets', 'Help', 'Event Add-Ons', 'Images', 'Pages', 'Comments', 'Templates', 'Emails', 'Appearance', and 'Plugins' (with a red notification badge for 13).

The main content area displays a notification: 'WordPress 5.3.2 is available! [Please update now.](#)' Below this is the 'Edit Events' section with an 'Add New' button. A message states: 'To begin using Filter Bar, please install and activate [Filter Bar \(4.8.0+\)](#)'.

The event title is 'DIY Constellation Jars'. The permalink is 'https://demo-cep.sales.sirsidynix.net/event/diy-constellation-jars/' with an 'Edit' button. An 'Add Media' button is visible above the text editor.

The text editor shows the following text: 'Learn all about space and stars while making your own constellation jar to light up your bedroom! For grades 3-8.' The editor includes a toolbar with options for Paragraph, Bold (B), Italic (I), Bulleted List, Numbered List, Quote, Link, Unlink, and Table. The 'Visual' and 'Text' tabs are visible.

At the bottom of the editor, it shows 'Word count: 19' and 'Last edited by Melissa Kulmer on January 28, 2020 at 9:45 am'.

The right sidebar contains several panels: 'Publish' (with 'Preview Changes' button, 'Status: Published Edit', 'Visibility: Public Edit', and 'Published on: Jul 16, 2019 @ 12:01 Edit'), 'Tags' (with an 'Add' button and 'Choose from the most used tags' link), and 'Events Categories' (with 'All Events Categories' and 'Most Used' tabs, and a dropdown menu showing 'Adults').

Event Registration

Check In, contact attendees, track event performance
