

Hounslow joins the London Libraries Consortium

November 11th, 2019, Watford, UK— The London Borough of Hounslow is the latest borough to join the London Libraries Consortium. Following Croydon Council's successful go live, Hounslow has now called off the London Libraries Consortium framework, increasing the total number of authorities to 18. We are delighted to provide the underlying technology solution for the Consortium's framework and look forward to expanding SirsiDynix solutions across London and beyond.
