Make use of URLs:

- WebSubscriptions & Useful links features
- Create search custom URLs.
- Link to new or special title lists
- Add OPAC links to external websites.
- Add external resources to the OPAC (i.e. Knovel, NovelList)

The sidebar menu is located on the right side of the page. It features a teal background with white text. The categories are: Resources (Electronic Titles, Reading Rewards, Ask the Library Question Form), Collections (New York Collection, Philadelphia Collection, San Diego Collection, San Francisco Collection), and Databases (Facts on File). Other partially visible items include 'Direct', 'of the Month', 'with Granola?', 'Futures', 'imes Olympics', 'Bites', and 'uest'.

The 'Web Subscriptions' interface is shown in a light pink box. It includes a search bar with a 'Search' button and a 'Start Over' button. Below the search bar are radio buttons for 'Begins', 'Contains', and 'Ends'. A 'Show tips' checkbox is also present. The results are displayed in a table with a purple header 'Subscriptions'. The table contains 9 rows of results, each with a numbered list item, a plus icon, and the subscription name.
