Vol. 28, No. 6 March 2019

WELCOME NEW LIBRARY DIRECTOR RUTH CHIEGO!

Please join us in welcoming Ruth Chiego as the new Grapevine Public Library Director. Ruth comes to Grapevine from San Antonio where she was the Administrator of the Central Library over all areas of public service. She holds a BA from Southwestern University and a Masters in Library and Information Science from the University of Texas at Austin.

"I'm dyslexic, so growing up I was not interested at all in reading. I know what a positive resource libraries can be for all. That's why I love working with communities to create interactive experiences for people that facilitate exploration, learning and discovery."

After working for a decade in Austin libraries, Ruth spent the last 11 years with SAPL. She is passionate about initiatives that further diversity and inclusion. In her previous work, Ruth has focused on creating a dialogue with the public to better serve their wants and needs. Ruth's son, Tad, is autistic and the City of Grapevine's efforts attracted her to the area, especially those programs currently led by the Library and Parks Departments. She and her family will be living in nearby Keller. She is very excited to meet the community!
